EXECUTIVE SEARCH

Accessibility Statement

Westgate Executive Search is committed to providing a website that is accessible to the widest possible audience, regardless of circumstance and ability. We aim to comply fully with the Web Content Accessibility Guidelines (WCAG 2.0, Level AA), published by the World Wide Web Consortium (W3C). These guidelines explain how to make web content more accessible for people with disabilities, and adhering to them will help make the web more user-friendly for everyone.

While Westgate Executive Search strives to adhere to these guidelines and standards for accessibility, we recognize that it is not always possible to achieve full compliance in all areas of the website at all times. We are currently working diligently to address any issues and to bring all areas of the site up to the same level of overall web accessibility.

Due to the dynamic nature of the website, minor issues may occasionally occur as it is updated regularly. We are continually seeking out solutions to improve accessibility and ensure that our website remains as accessible as possible.

If you have any comments or suggestions relating to improving the accessibility of our site, please don't hesitate to contact our team by email at info@westgatesearch.com.au. Your feedback is invaluable in helping us make improvements.

Thank you for helping us make our website accessible to everyone.
